To Whom It May Concern,

Emerald Valley's facilities allow its Golf Academy to hold different instructional programs throughout the year for golfers of all ages and abilities. Juniors have always been a high priority and focus of the program in years past and will be so this year.

Emerald Valley's Junior Program will start on July 1st and run through August 30th. The cost for the summer is \$85 which includes five instructional sessions with PGA golf instructors, three days of playing, entry into the Parent Junior Night and Junior Club Championship, discounted green fees and prizes throughout the summer. This format allows juniors to come to the golf course, receive instruction and play golf in a positive environment while making new friends.

Attached is a schedule for the season as well as the registration form. If you know of any junior who shows interest in golf or are just looking for an activity for the summertime, please hand them a registration form. If anyone has any questions please feel free to call the golf course or drop by. 541-895-2174

Thank you very much
